Wishing all of our new and returning families a warm welcome to the Holy Spirit school community.

Term 1 is a very important time in the school year as children are beginning to develop their understanding of school rules, routines and expectations.

We are very excited about the upcoming learning journey for your children! Please feel free to contact your child’s classroom teacher regarding any information in this newsletter.

What we are learning about this term!

English: We are learning our sounds and alphabet. We are also learning how to read by blending sounds and learning sight words. Oral retelling, listening and speaking skills and writing development will also be taught.

Maths: We are learning numbers 1-10 (oral counting, written numbers, and quantities). We are also learning about time.

Religion: We are learning about our school, Church and our families. We will begin to learn the importance of prayer in our school and daily life. Children will also learn about the rituals and practises of the Lent and Easter season.

Science: We are learning about the weather and day and night.

History: We are learning about our families.

Visual Arts: We are learning how to create using many different things.

We will also be learning Health & Physical Education, Indonesian and Performing Arts.
