Week 10, Term 1

A Message from the Acting Principal

Dear Families,

Catholic Easter Prayer

Lord, the resurrection of Your Son has given us new life and renewed hope. Help us to live as new people in pursuit of the Christian ideal. Grant us wisdom to know what we must do, the will to want to do it, the courage to undertake it, the perseverance to continue to do it, and the strength to complete it.

We hope that you all as a family had a wonderful Easter weekend. An important time for us all to reflect on the Christian meaning of Easter and what it means for us all. Special thanks to Mr Brett Wilson and his class on their presentation of the Easter story at morning assembly Tuesday.

We wish Mr. Simon Duffy and his family well while on long service leave for the next five weeks. They are having a wonderful time at present in London visiting friends and family.

During this time, Mr. Brett Wilson and Mrs. Caoimhe Kalinowsky will be sharing the role of **Acting Deputy Principal** to assist with day to day duties as well as administration. I will be available each day in the office as Acting Principal. Mrs. Angelina Andreou will be teaching Physical Education classes on both Tuesday and Wednesday. We thank you for your support with this.

While only a short school week we continue to have many great events in place for our students and staff. Many of our girls from Year 4/5/6 will be participating in the **AFL Pink Power Challenge** on Thursday at TIO stadium. This is a wonderful opportunity for our girls to participate in an event with their peer group. Both Miss Makaela Hunt and I will be in attendance to both coach and provide duty of care. We encourage parents/carers to come along to join in this great day.

Our Year 5/6 students and teachers, with the support and coordination of O'Loughlin Catholic College will be participating in a **Youth Ministry** Service here at Holy Spirit. Year 12 students will facilitate a retreat experience for our students to gain greater understanding of ministry services that are available to schools and our wider community. We thank Mr. Matthew Bourke, Assistant Principal of Religious Education from O'Loughlin for making this possible.

As a community, we continue the clean-up following **Tropical Cyclone Marcus**. To all members of our emergency services, defence and local council we thank you all for the great work you are undertaking.

Kind Regards,

Paula Sellars

Acting Principal

Holy Spirit Catholic Primary School

Reflection

"Now while he was with them at table, he took the bread and said the blessing; then he broke it and handed it to them. And their eyes were opened and they recognised him; but he had vanished from their sight. Then they said to each other, 'Did not our hearts burn within us as he talked to us on the road and explained the scriptures to us?' They set out that instant and returned to Jerusalem. There they found the Eleven assembled together with their companions, who said to them, 'The Lord has indeed risen and has appeared to Simon.' Then they told their story of what had happened on the road and how they had recognised him at the breaking of bread."

- Luke 24:30-35

LOOKING THROUGH THE WINDOW

Year 5/6, Rm. 2 with Mrs. Caoimhe

This term we have been making agamographs. An agamograph is a piece of work that once viewed from an angle shows one image and viewed from the opposite angle shows another one. We used emojis for our artwork which linked in with our Health unit on Respect and Relationships. Creating these also tested our measurement skills, we needed to be accurate for them to work properly. A big Thank You to Miss Maria for putting them together for us - not an easy task! Please come and have a look at them, they are displayed outside Rm 2 near Parent Pick-up - just make sure you look both ways!

CYBER SAFETY

Everything you think you know about cyberbullying is wrong
Written by Family Zone Team on 19-Jan-2018 13:51:12

"Bullying is a fact of life. There's nothing anybody can do to prevent it."

This one is not only defeatist - it is, thankfully, untrue. There's so much you and your children can do to prevent online bullying. Here's some tips you can share with them.

- Never share your online credentials with anyone, not even with family members (except your parents if they asked for them), or close friends.
- Never share intimate photos of yourself to anyone. There is no safe way to do this. None. What. So. Ever.
- Boost your privacy levels on social media. Most users - adult and teen alike - don't bother setting up privacy controls. Because virtually all social sites show posts publicly by default, this is an invitation to trolls and bullies.
- Pause before you post. I always recommend the famous "three gates" of the Sufi philosopher-poet Rumi: Is it true? Is it kind? Is it necessary? Develop a keen sense of "digital empathy." Ask yourself, "How would I feel if someone did that or said that to me?"
- Finally, and most importantly, implement parental controls on your children's devices, to give you - the adult - oversight on what they're doing online.

A powerful solution for managing family screentime, Family Zone lets parents set effective boundaries to keep kids safe and happy online, across every device, everywhere. Use Family Zone to control access to games and apps, set bedtimes, restrict social media, block adult content, and more.
