

Welcome to

Holy Spirit Catholic Primary School

On weekdays I will go to school at Holy Spirit Catholic Primary School.

School is a place where I learn, where I have fun and where I am safe.

I will stay at school from 8:10am till 2:30pm

My Check List

● School Uniform

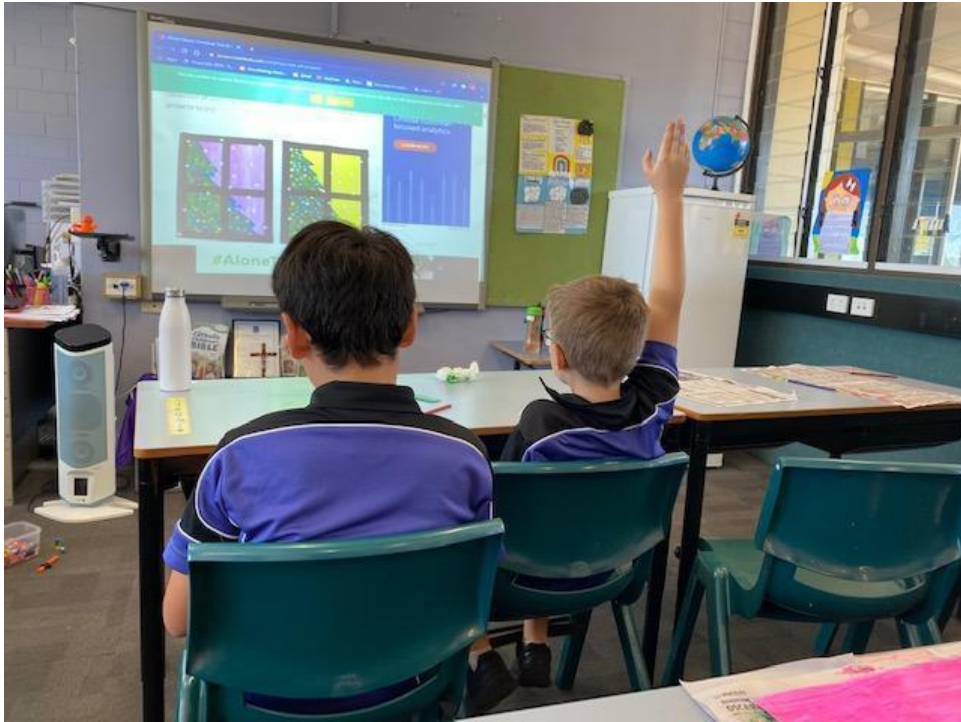

- school bag
- lunch box
- water bottle

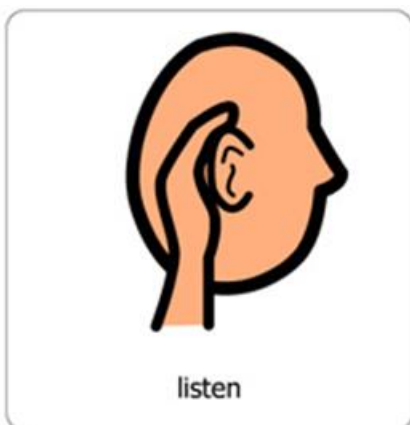

I will have a new classroom and will meet my classmates . It is okay to feel a little nervous.

When I need help, I can ask the teacher or an ISA.

My classmates can also help me.

I will join in and have a go at doing class activities.

Our school has an assembly on Monday and Friday mornings. The assembly is in the undercover area and can sometimes get a bit loud. If it gets too loud for me or if I find sitting down tricky, I can tell my teacher and they will help me.

Every week, I will go to the Library and borrow books.

Every week ,I will also learn to play different sports in PE.

I'll visit other classrooms and do different activities with other teachers such as art, music, computers or even learn a new language.

I go outside to play at recess and lunch. When I play outside, I will need to wear my hat.

There are lots of fun areas that I can play in.

We play safely during recess and lunch.

When play time has finished the bell will ring and I will go to my class area for eating time.

I will make lots of new friends in my class and have a great school year.

Sometimes things can be tricky at school, but I can use my visual cards or use my words to say how I feel and ask for help. School is a place where I learn, where I have fun and where I am safe.

I Am Safe at School
