

SOCIAL STORY

new students

On weekdays I go to school at Holy Spirit Catholic Primary School.

School is a place where I learn, where I have fun and where I am safe.

I am at school from 8:10am till 2:30pm

My Checklist

- School Bag
- Lunch Box
- Water Bottle
- School Uniform

I have a new classroom and will make
new friends.

It is okay to feel a little nervous.

When I need help,
I can ask the teacher or an ISA.

My friends can also help me.

I can join in and have a go at class activities.

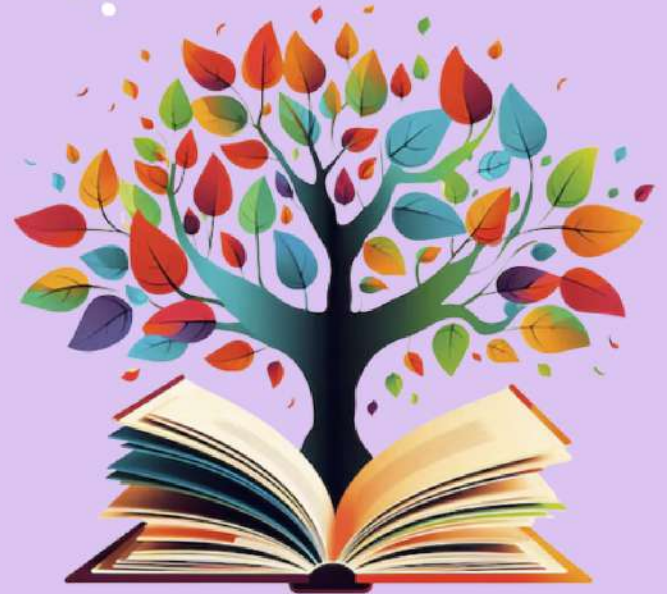

Our school has an assembly on Monday and Friday mornings.

The assembly is in the undercover area.

If it gets too loud for me or if I find sitting down tricky, I can tell my teacher and they will help me.

Every week, I go to the library
and borrow books from Mrs Crimmings

LIBRARY

A row of colorful books in various sizes and colors (pink, green, blue, yellow, red, purple, brown) standing upright. Below them is the word "LIBRARY" in large, bold, yellow, 3D block letters with a brown outline.

Mr Connor will teach me about
different sports in PE.

Mrs Leah will teach me about visual art

Mrs Abby will teach me about Science,
Technology, Engineering, Arts and
Maths (STEAM)

Science • Technology • Engineering • Arts • Mathematics

I'll visit other classrooms and do activities with other teachers.

I go outside to play at
recess and lunch.

When I play outside, I need to wear my
hat.

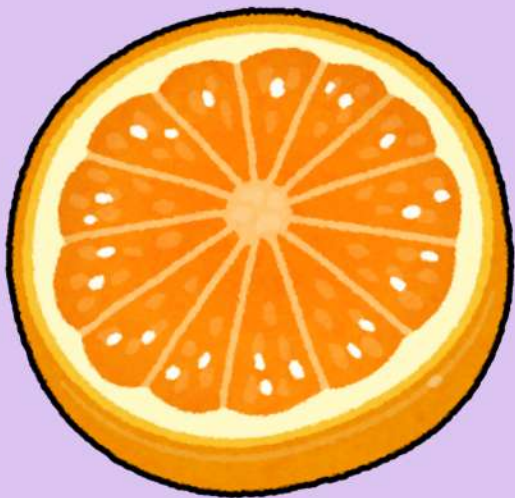

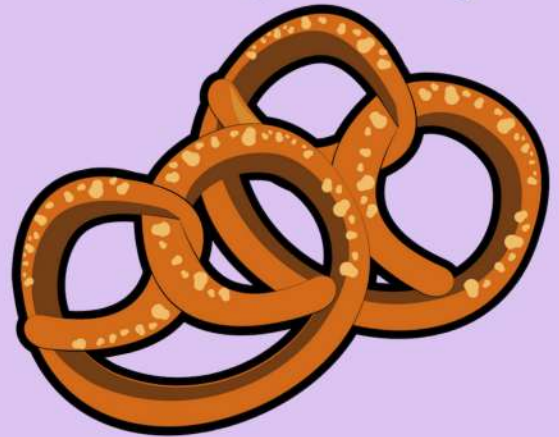

There are lots of fun areas that
I can play in.

We play safely during recess and lunch.

When play time has finished the bell will ring and I go to my class area for eating time.

Sometimes things can be tricky at school, but I can use my visual cards or use my words to say how I feel and ask for help.

School is a place where I learn, where I have fun and where I am safe
